What are you doing this time...?

Hata yama!

.....

The hell's that guy saying?
Huh!?

Everyone's been mistaken trusting Kawashima through this time!
Changed! Kawashima has changed!

Hata yama!
From the start, he seemed dependably, but that guy wasn't human... The truth is-

He's so afraid of this, he's had us fighting!
If I don't do it here, Kawashima will suffer.

Hatayama that's enough, isn't it?!
I'll tell them!
Do you guys know what Kawashima is thinking to do? Well!?

.....

Stare
W-what's Kawashima thinking to do?

What he intends to do
Once you all graduate,

Seems to have become a quiet place again.

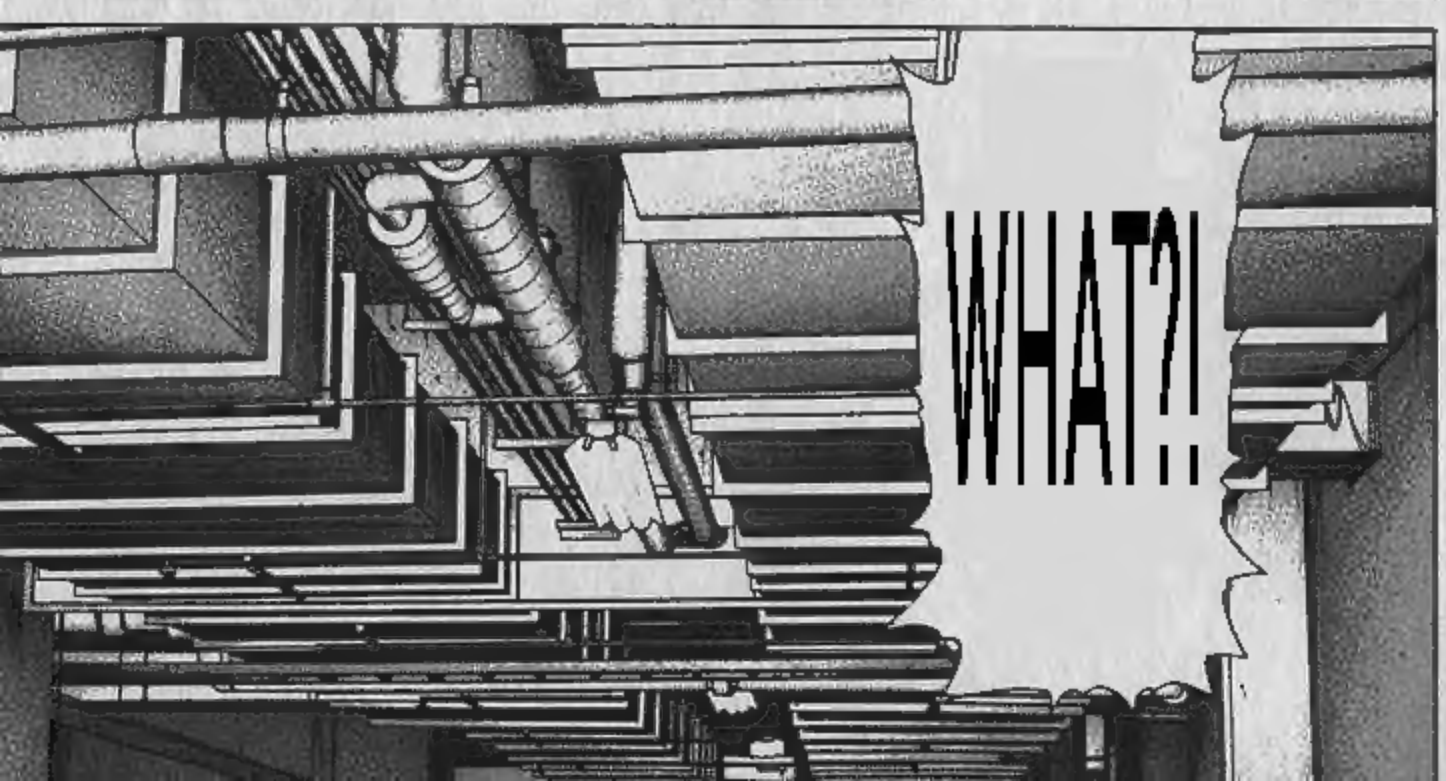
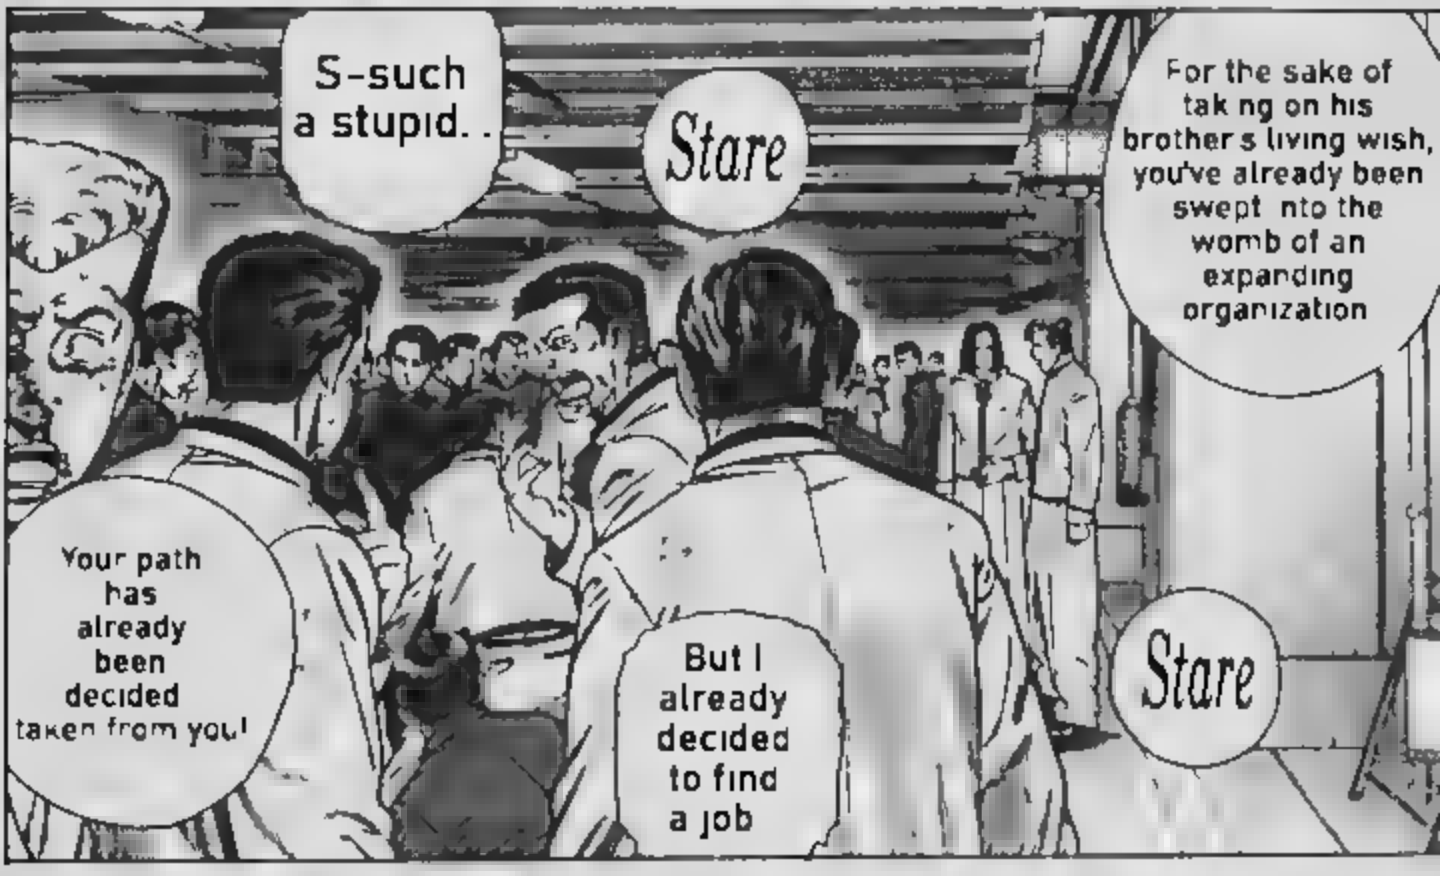
Oi, what happened?!

That bast-ard...



WHAT?!

K-KAWA-SHIMA CLAN?!



S-such a stupid. .
Stare
For the sake of tak ng on his brother s living wish, you've already been swept nto the womb of an expanding organization
Your path has already been decided taken from you!
But I already decided to find a job

Fu-

.....

What're these guys talking about
Wha a a t?

Kakaka, I would've been glad to hear it earlier, though.

That's just like Kawashima, isn't it?

Isn't that amusing.

!?

Huh?

W what? Do you guys even understand what this means? You've been used, this whole time!

He's been screw-ing with us!

He's so strong, everyone will accept! Then it'll be total resignation!

To stand at the top, more than anything, an organ zation needs trust!

Until he makes his organization is on.y one year! n order to instill feelings of trust in us, he de.iberate.y played the good guy!

Wh-

His brother was killed.
Seems a lifetime was too generous for him.

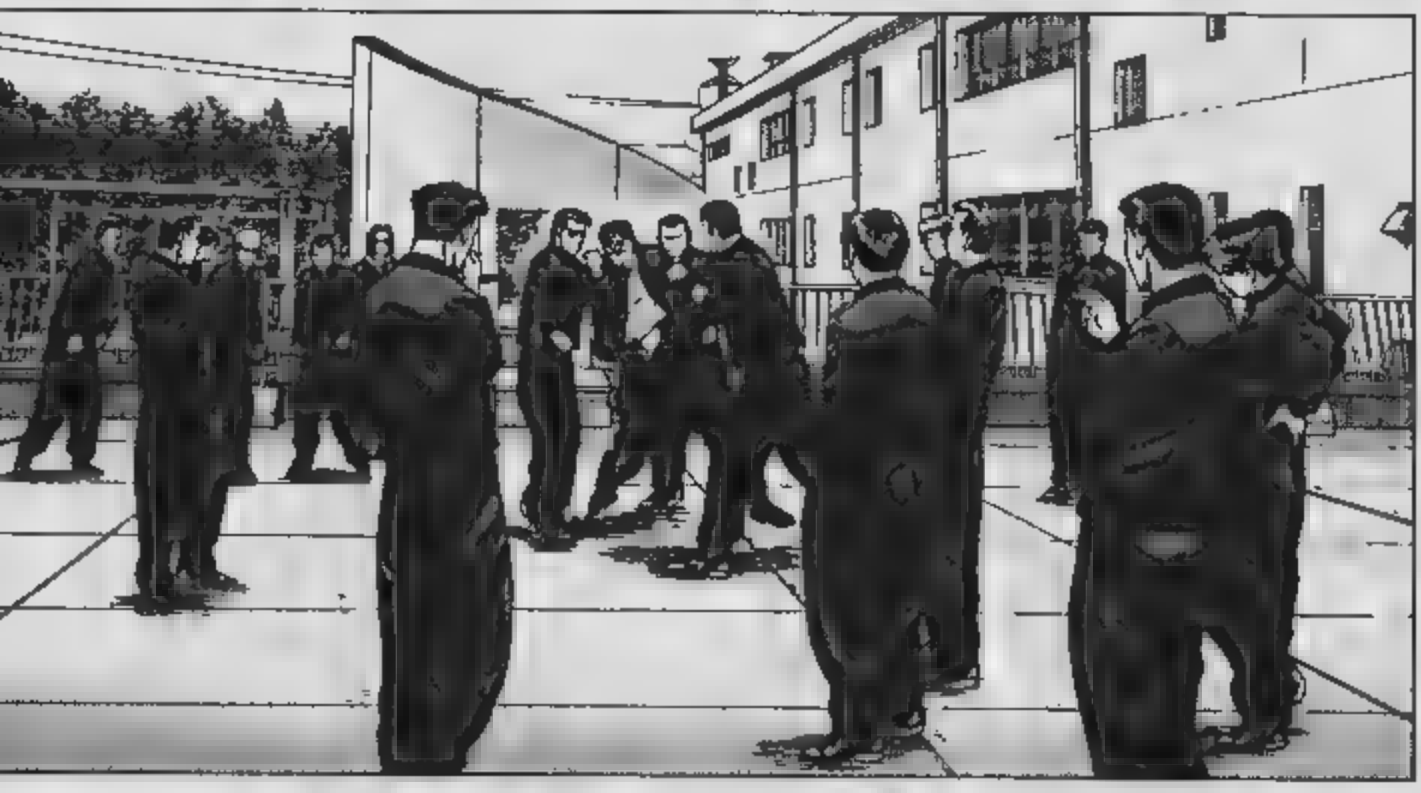
T-Taka...
But even with that said certainly demanding or something trust and the like

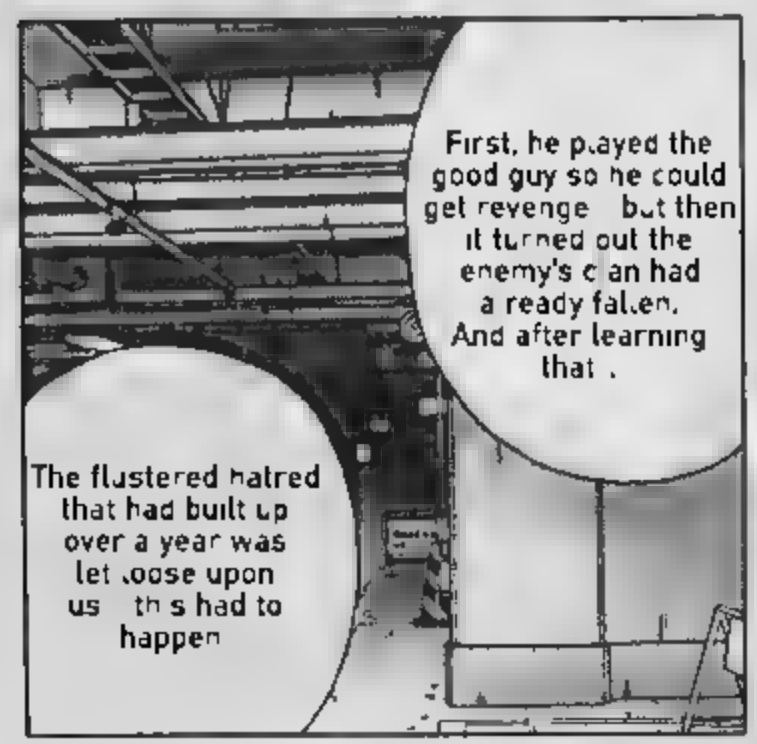
For the revival of the strongest Kyokuto.
We don't follow worthless people.

Uu-!

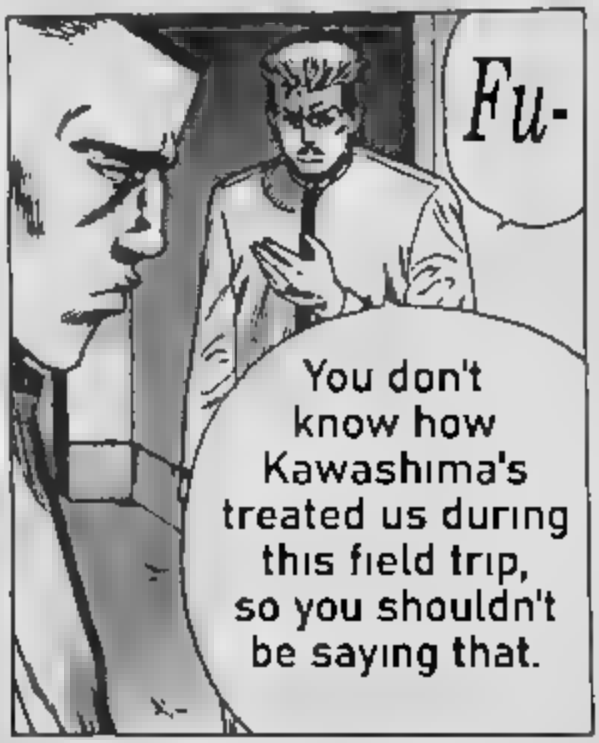
Why do you think me and Ume came back to school?

A long time ago, even Tatsuyoshi wasn't a bastard
And if we think about it, who was it hiding behind their superior's back for just a one-man invasion?
Let me remind you.





First, he played the good guy so he could get revenge but then it turned out the enemy's clan had already fallen. And after learning that .
The flustered hatred that had built up over a year was let loose upon us this had to happen



Fu-
You don't know how Kawashima's treated us during this field trip, so you shouldn't be saying that.

I've tolerated you enough.
Then...
That's enough, isn't it?
Wh-...
Maybe, if the trust you put in Kawashima is fake, the ones really using others,
would be you guys, no?
Think about it well a second.

Ke-
You guys've been going on about uninteresting crap for forever.
Ga-!

Ah! You fucker!

If that trust was just fake, then wouldn't the ones really using others,
be you guys, no?

Sorry for the slow release. Holidays are here so I'm taking it slow. Things will pick up again after Christmas.
